

EAGLES BASEBALL

THE EAGLES EXPERIENCE GIVES ITS PLAYERS A DISTINCT ADVANTAGE

The Eagle Baseball Association (EBA) is a not for profit organization that is committed to providing baseball players in the tri-state area every opportunity on the baseball field without the politics that have become common place in the ranks of youth thru HS baseball. We provide our players with top caliber coaching from NJ's leader in baseball training Professional Baseball Instruction, Inc. The Eagles program looks to attract highly motivated and committed families who want to soar with us into championship territory for this year and the years to come. All Eagle players will gain the knowledge and develop the skills needed to compete at a higher level of play. All serious ballplayers will experience tremendous benefits that will last with them throughout their entire baseball careers.

Eagles Baseball Association is a **Non-Profit** organization- All players have the opportunity to fundraise their fees if they choose to do so. Monetary donations to EBA are partially **TAX DEDUCTABLE** for Eagle families & contributors. Tax ID #26-465885

EAGLES WINTER TRAINING PROGRAM

All 2012 Spring Eagle players are **REQUIRED** to attend the “Eagles Winter Training Program”

Program Details...

All players will be put on a progressive throwing program to develop arm strength and health.

Players will work on infield & outfield skills. Players will pitch, and players who choose to do so, will work “behind the plate” on their catching.

All players will be on a progressive hitting program. Starting off with swing fundamentals & leading all the way up to taking live at-bats. The program also includes base-running skills.

In February/March, the main focus of the workouts will be *Live Situations*. Each hitter will take live at-bats while pitchers will be capable of throwing competitive pitches prior to the start of the season.

- ☞ Pitchers who are capable and ready will throw *live to hitters*
- ☞ Hitters who are capable and ready will take *live at-bats*
- ☞ Catchers who are capable and ready will catch during live situations. Catchers will also throw *full distance* to all bases.
- ☞ Infielders field live ground balls & make *full distance* throws
- ☞ Position players will base- run in *live game situations*
- ☞ All players will work on live defensive situations

EWTP DATES & TIMES

EWTP begins **NOVEMBER 28TH** and continues thru **FEB. 27TH**

MONDAYS- 4:30PM – 6:30PM

Please Note - There will be NO workouts– 12/26 & 2/20
Make-up sessions are not available

EWTP IS MANDATORY FOR ALL EAGLE PLAYERS

HITTING

All players will work on their hitting & base-running skills

In December, hitters will learn and develop hitting skills through tee work & drills that focus on mechanics and proper fundamentals for each individual hitter. Hitting inside & outside pitches in addition to hitting various speeds of pitches will be worked on. Situational hitting & live BP will be the norm in January and February hitters that are capable and ready will compete in live situations. Base-running skills from all bases will also be a focus of our attention.

PITCHING

All pitchers will learn to develop “command” of their fastball (4-seam, 2-seam) regardless of how hard they throw. Certain pitchers that PBI feels appropriate will also develop a change-up that they are capable of throwing consistently. In February we will compete in live situations. Pitchers will learn how to throw bullpens properly as well as developing a game plan. Pitching strategy will be a main focus as well. Defensively, we will improve quickness and awareness of overall pitchers fielding practice.

INFIELD

We will develop a proper approach to all types of ground- balls. This includes routine, backhand, glove side, slow- rollers, high- choppers, short- hops, harder hit balls, and line- drives. Proper footwork, double plays, making tags, relay throws, 1st and 3rd responsibilities, run- downs, bunt defenses, and pick- off plays will be covered. During the course of a game infielders need to execute throws from a wide variety of arm angles and body positions. We will work on the proper mechanics of these throws, and learn how to treat every throw “with a purpose.” 1st base will also be covered.

OUTFIELD

As an outfielder footwork is “key.” Footwork on all ground and fly- balls must be highly developed. In the outfield we will work on routine ground- balls, angles of approach to ground and fly- balls, and getting a strong and accurate throw to the infield quickly.

CATCHING

Only players who wish to work on their catching will catch

Catchers will work on all the physical and mental skills required to be proficient behind the “dish.” Areas of concentration are: Receiving, blocking, throwing to all bases, fielding bunts, fielding pop- ups, “plays at the plate,” tags, double plays, and run- downs. Classifying hitters, understanding pitchers and calling a game will be discussed. Catchers will not only learn and develop the physical skills needed to be a good catcher, but the mental aspects of how to control the game, the team, and be a leader on the field will be enhanced. As a catcher your priority is defense. Making your pitcher look good and keeping your team “in the game” is your job.
